

Press Release Cooperation Ergon Meccanica - Emhart Glass

Bucher Emhart Glass and Ergon Meccanica are strengthening their cooperation on high quality repairs and overhauls of glass forming machines. For more than 10 years, Ergon Meccanica has been successfully supporting customers in the glass industry with repairs and overhauls of forming equipment and is increasingly focusing on Emhart Glass products. Both companies will display their renewed partnership at Glasstec, where Ergon Meccanica will be available to talk with customers and answer any questions on the Emhart Glass Booth in Hall 13 / C33 in Düsseldorf September 20th – 23rd.

The strengthened cooperation will benefit customers with even better repair and overhaul results, by facilitating Ergon Meccanica's access to technical information and specialists from Emhart Glass.
